Our Mission.....

Our mission is to provide a safe faith based family friendly rodeo association for the tri state area.

One of our goals is to provide a basic step up style rodeo for kids to learn and grow in the sport of rodeo.

We will offer a variety of rodeo events including mounted, unmounted and rough stock (pending enough interest) events for children ages 1-19.

Unmounted events: stick horse race, goat ribbon pull, unmounted goat tying, chute dogging & flank & tie.

Mounted events: mounted goat tying, barrels, poles, breakaway roping, calf roping, team roping.

Rough stock events: Bareback, saddle bronc, steer riding or bull riding.

We will keep reasonable entry fees while providing the best possible awards to encourage the kids along the way.
